

Order Form for 2007 Base Stock Guides

The 2007 Global Guides to Base Stocks from *Lubes'n'Greases* magazine are colorful 33 inch by 22 inch wall charts. The **Global Guide to Base Oil Refining** lists over 150 mineral base oil refineries worldwide, with company names, locations, API group and capacities. The **Global Guide to Nonconventional Base Stocks** lists 180 plants where the most important nonconventional base stocks are manufactured, including PAOs and PIOs, PAGs and PIBs; esters; silicones; API Group IIIs; phosphate esters and GTL, giving company names, locations and capacities where relevant. To order copies of one or both Guides, complete this form and send it with your check, payable to LNG Publishing Co., or your credit card authorization, to:

LNG Publishing Co., 6105-G Arlington Blvd., Falls Church, VA 22044 U.S.A.

Credit card orders can be faxed to (703) 536-0803.

NOTE: The Guide to Base Oil Refining is available in June. The Guide to Nonconventional Base Stocks is available in September.
